

2022 Raceboard Nationals – Lake Cootharaba Sailing Club

16 to 20 January 2022

The next nationals are planned for Lake Cootharaba, Queensland.

The Sailing Club

<https://lsc.org.au/> Very friendly club that is one of our affiliated sailing clubs

Lake Cootharaba is the head of the Noosa River so it's brackish water, mean depth is 1.5mts, never gets big chop or seaweed or jellyfish etc like RQ can. There is a pub in town for dinner and social events (short walk up the hill from Boreen camp ground) and a cafe for coffee and food. Tewantin and Noosaville are only 15-20 minutes away for more options and supplies if needed

Accommodation Options

Camping

<https://www.habitatnoosa.com.au/>

Rooms are available at the local pub

Lots of Air BNB type holiday houses available in Boreen point as well or heaps of accommodation options in Tewantin and Noosaville.

Book early its very popular with Brisbane locals, Boreen campground is a great place to stay, capacity has been reduced since Covid which actually makes it more pleasant , it's cheap, you can walk to the sailing club, the cafe and the pub and you can launch from your campsite.

Proposed Schedule

We have the first day of registration on Sunday the 16th so people who arrive early can participate in the club racing as a warm up. There is usually one race at 11 and another one after lunch at 1.30. Visiting Raceboarders are welcome to do one or both. Then registration can start after that when the club bar is open for after race refreshments.
